TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the financial statements of the Company for the year 1 January 2022 to 31 December 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Policies and objectives

a. Mission Statement

To provide the best independent farm conservation advice and guidance to our members and provide the facilities for environmental opportunities.

b. Vision Statement

Norfolk FWAG will facilitate change on the ground to benefit habitats and species associated with or occurring on farmland.

c. The Charity's Objects

1. By encouraging land owners, farmers and other stakeholders to manage their land in such a way as to promote, the conservation, protection and improvement of the physical and natural environment for the benefit of the public.
2. To advance the education of the public, particularly the farming community and the agricultural sector in conservation and biodiversity.

The activities of the Charity are as follows:

- Support farmers in their work to deliver wildlife conservation within productive farming systems.
- Provide farmers and landowners with the best independent technical advice and practical guidance on environmental enhancement of the farmed environment.
- Preserve natural resources on & off farm, such as soil & water.
- Seek to work with landowners to preserve and maintain the historic environment and landscape heritage inherited by farmers today.
- Inspire and communicate the importance of conservation on farmland to farmers, future generations and the wider public.
- Work in collaboration with partner organisations and other FWAG groups.
- Inform members of wider environmental issues/schemes and access to funding.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Policies and objectives (continued)

d. Norfolk FWAG offers a range of services including:

- Applications for Agri-environment schemes.
- Agreement management, compliance, and claims
- Best practice conservation advice.
- Ecological surveys, habitat management planning and advice.
Biodiversity offsetting delivery including skylark and newt mitigation.
Woodland creation applications and management plans
- Facilitation of farmer groups.
- Farm assurance schemes including LEAF marque LANCEP's.
- Farm Environment Plans.

Report for 2022 - Review of Activities

a. Staff

Neil Punchard - Managing Director (to December 2022)
Henry Walker - Farm Adviser
Nathan Walker – Farm Advisor
Sasha Ellis - Farm Advisor
Charlie Ennals - Farm Adviser (to July 2022)
Evan Burdett – Assistant Farm Advisor (from December 2022)
Marta Gibbons – Assistant Farm Advisor (from December 2022)
Sallyanne Brock – Finance Officer (Office Manager from February 2023)

With Neil Punchard leaving Norfolk FWAG and the lack of any suitable replacement the Board agreed that Clarke Willis would take the role of Executive Director from December 2022, not employed by Norfolk FWAG and still a Trustee and Company Secretary, working with the team to support and develop the staff to take the organisation forward.

As a benefit of the considerable bursary received from the Estate of Mary Bloomfield, Trustees were keen to provide a bursary for a student gaining a professional qualification in Environmental Land Management. A scholarship with a placement year employment at Norfolk FWAG was agreed with Harper Adams University and we welcome our first placement in July 2023. To be called the Bloomfield Bursary in recognition of our benefactor.

b. Trustees

Our chairman of 6 years, Tim Guyer, stood down after the 2022 AGM and was replaced by Joe Mitchell as Chairman. We recognise the considerable support and expertise that Tim brought to the role and are pleased that he remains a Trustee. Nick Anema was elected to the Board at the 2022 AGM with Jon Daniels and Jake Fiennes standing down at the end of 2022 having completed their term as Trustees and we acknowledge their support over many years. In May 2023 Richard Evans was co-opted onto the Board of Trustees.

Report for 2022 - Review of Activities (continued)

c. Relocation of Offices

In late 2022 a lease was signed with the Royal Norfolk Agricultural Association to rent offices in the MacGregor Building on the Norfolk Showground that better suited our purposes. Relocation occurred in December 2022 and from this date our new address is MacGregor Building, Norfolk Showground, Dereham Road, New Costessey, Norwich, NR5 0TT.

d. Review of Activities

During 2022 the Norfolk FWAG team were busy with a whole range of environmental work:

Chargeable

- Countryside and Environmental Stewardship care and maintenance.
- Countryside Stewardship applications
- Woodland creation and hedgerow planting
- Woodland Management Plans.
- Farm Assurance Schemes
- Ecological surveys

Project

- Facilitation Funds – landscape scale conservation
- Norfolk Ponds Project
- Broadland HLF, Water Mill and Marshes – Broadland Tales of the Past and Broads Land Management
- Broadland Test & Trials Land Management Board and the role of a local convenor
- Princes Countryside Trust Farm Resilience Programme

e. Events

Norfolk FWAG organised several walks to showcase Norfolk farms which effectively integrate environmental management into their farming business. There were around 60 attendees at each event including farmers, landowners, environmental specialists, and the public, both members and non-members of Norfolk FWAG. We acknowledge the support of Ashtons and Anglian Water for the farm walks and the AGM.

The annual Norfolk FWAG Farm Conservation MacNicol Trophy competition for the Ian MacNicol Memorial Trophy was held. The winner was A R Wilson, Manor Farm, East Winch and the runner up Deepdale Farm, Burnham Deepdale.

Through the Prince's Countryside Trust Farm Resilience Programme, we co-ordinated free business skills training to family farms across Norfolk through a programme of workshops.

f. Partnership Working

Norfolk FWAG continued to represent farmers and landowners on the Broads Land Management Group, Norfolk Coast Partnership, Broads Biodiversity Partnership, Norfolk Local Access Forum, NBIS Steering Group, Waveney Catchment Partnership, and Broadland Catchment Partnership.

g. Funding Bids

We were successful in partnership project applications for treasury funding including the Wendling Beck Environment Project (bids to both the Defra Test & Trials and Natural Environment Investment Readiness Fund were successful) and the Broads Peat Partnership.

We were also successful with our tender to Defra, as co-leads of the East of England FWAG Consortium, to deliver Countryside Stewardship advice and options appraisal across the East and Southeast of England, through the Farm and Land Management Advice framework in 2022.

Financial Review

Complete income statements and forecast summaries are compiled each month and distributed to the Trustees at Board meetings. Age of debt reports are produced quarterly. Board meetings minutes are distributed to the Trustees.

We received a further £30,000 receipt from the Blomfield legacy in 2022. Total income for the period was £244,267 (2021: £417,248) (including legacy fund charitable donation plus interest) and expenditure was £224,216. The surplus for the year was £20,051 (2021: £183,651). The greater income and surplus in 2021 was due to a legacy of £194,500 received in that year.

The table below shows the split of sources of income:

	2022 (£)	2021 (£)
Total turnover	244,267	417,248

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Reserves Policy

An outline policy on reserves was agreed when Norfolk FWAG was incorporated on 1 December 2011. Reserves have been built up over the years and maintained at a level which ensures that Norfolk FWAG's core activity could continue during a period of any unforeseen difficulty. The reserves themselves are to be as cash reserves with the bank and therefore readily realisable. Expenditure is carefully managed and forecasted. Taking into consideration projected salary and administration costs the target reserves was increased with a separate 'Legacy Fund' investment for the longer term.

Consideration by the Trustees is given to the actual risks associated with income and expenditure. A summary of the risks to income are:

- Reduced desire from landowners and tenants to enter new Agri-environment schemes when existing agreements expire in anticipation of higher financial rewards from a new scheme in 2024 or rollover/mirroring of existing agreements
- Competition from land agents and other advisers in Norfolk

At 31 December 2022 the charity had unrestricted funds of £272,828 (2021: £252,777). There are no restricted funds.

The trustees agreed that under its Charitable status Norfolk FWAG has a sound financial footing.

Funds Held as Custodian

The Charity administers the Connecting Nature Fund Grant Scheme on behalf of Norfolk County Council, which is for projects to lessen the impact on the wider environment of large-scale development. The charity has no entitlement to the fund and hence it is not recognised as income of the charity and is held in a separate bank account.

Structure, governance and management

a. Constitution

The company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 1 December 2011 which was subsequently amended on 30 May 2012.

The principal object of the company is to encourage land owners, farmers and other stakeholders to manage their land in such a way as to promote for the benefit of the public, the conservation, protection and improvement of the physical and natural environment. Also, to advance the education of the public, particularly the farming community and the agricultural sector in conservation and biodiversity.

b. Methods of appointment or election of Trustees

The Charity has put in place a succession plan for both the Board to keep a fresh business approach.

c. Organisational structure and decision-making policies

As well as the trustees and board of directors, the charity has an executive steering group and staff team. The day to day running of the Charity is managed by the Chairman, Vice-Chairman and Company Secretary.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Structure, governance and management (continued)

The steering group consists of a range of interested parties and well-known organisations including, conservation groups, trusts, councils, landowners and farmers. The steering group's roles and responsibilities are as follows:

Profile raising/Networking
Technical support
Events
Fundraising
Developing project ideas

The Trustees, who have many combined years in the charitable and commercial sectors have all been provided with additional guidance and; A summary version of the Charity Commission's Essential Guide, Norfolk FWAG Business Plan and Norfolk FWAG Management Accounts on a regular monthly basis.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

Independent examiner's report to the Trustees of Norfolk FWAG ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. General information

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member of the company. The registered office of the company is MacGregor Building, Norfolk Showground, Dereham Road, New Costessey, Norwich, Norfolk, NR5 0TT.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Norfolk FWAG meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

2.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Company has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Company, can be reliably measured.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

NORFOLK FWAG
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.4 Expenditure (continued)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Plant and machinery	- 33% Straight line
---------------------	---------------------

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NORFOLK FWAG
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.11 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.
